REP. DOYLE APPOINTED TO FOUR COMMITTEES FOR 2011- 2012 SESSION

Will represent La Crosse County on Transportation, Insurance, Tourism and Rural Development committees

State Rep. Steve Doyle (D-Onalaska) has received his committee appointments for the 2011-2012 legislative session. He has been named to the Committees on Transportation; Insurance; Tourism, Recreation and State Property; and Rural Economic Development and Rural Affairs.

“I am honored to be named to four committees, all of which will be important for my constituents,” said Doyle. “There are a number of significant issues these committees will address in the upcoming session, and I am looking forward to the challenge.”

Rep. Doyle has been a member of the La Crosse County Board of Supervisors since 1986 and has served as board chair since 2002. Doyle also runs a successful law firm in La Crosse with his wife, Gloria. In addition to his experience on the La Crosse County Board and as an attorney, he has taught State and Local Government and the American Legal System in the Department of Political Science at UW-La Crosse. He was elected to serve the 94th Assembly District in a special election on May 3, 2011.

During his time as a member and chair of the La Crosse County Board, Rep. Doyle worked hard to ensure that La Crosse County continued to grow its economy. Doyle helped create and retain hundreds of jobs, especially through his work to establish and develop the Lakeview Business Park. He also has a record of protecting core services while lowering the burden on property taxpayers, such as his efforts to create the Mississippi Valley Health Services, which runs the Lakeview Health Facility and is saving La Crosse County taxpayers over \$1.2 million per year.
